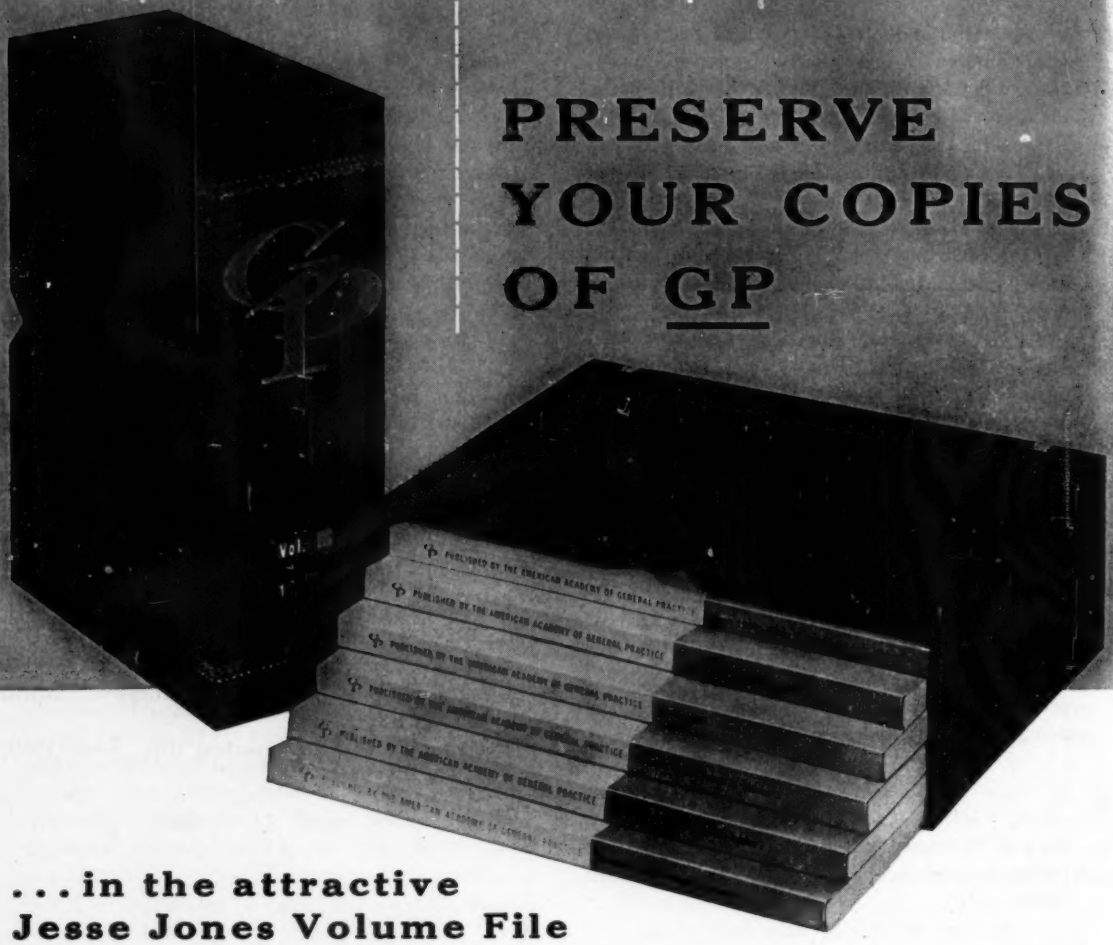
PRESERVE YOUR COPIES OF GP



. . . in the attractive Jesse Jones Volume File

Specially designed and produced for **GP**, this File will keep one volume (six issues) clean, orderly, and readily accessible. In a combination light blue and dark blue Kivar, which looks and feels like leather, its 16-carat gold leaf hot-embossing makes it a fit companion for your finest bindings. Your back issues are protected against dirt and wear—any specific issue can be located instantly.

Despite its rich appearance, the Volume File is reasonably priced. Carefully packed and sent postpaid, Files cost only $2.50 each. Many **GP** readers find it more convenient and economical to order 3 for $7.00 or 6 for $13.00. If you are not entirely satisfied, for any reason, return the File to us within 10 days for a full refund.
